Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant

On April 26, 2016, Griffin Industrial Realty, Inc. (“Griffin” or “Registrant”), closed on a \$14.35 million nonrecourse mortgage loan (the “Mortgage Loan”) with People’s United Bank (“People’s United”). The Mortgage Loan is collateralized by five industrial/warehouse buildings aggregating approximately 338,000 square feet in New England Tradeport (“NE Tradeport”), Griffin’s industrial park in Windsor and East Granby, Connecticut. Four of the five NE Tradeport buildings, aggregating approximately 240,000 square feet, collateralized an existing nonrecourse mortgage loan with People’s United with a balance of approximately \$7.4 million that was refinanced into the Mortgage Loan. The refinanced mortgage loan was scheduled to mature on August 1, 2019 and, with a related interest rate swap agreement, had an effective interest rate of 6.58%. At the closing of the Mortgage Loan, Griffin received cash proceeds (before financing costs) of approximately \$6.9 million. The Mortgage Loan has a floating interest rate of the one month LIBOR rate plus 2.0%, but Griffin entered into an interest rate swap agreement with People’s United at closing that, combined with the existing interest rate swap agreement with People’s United, effectively fixes the interest rate on the Mortgage Loan at 4.17%. The Mortgage Loan has a ten year term, with principal payments based on a twenty-five year amortization schedule. Griffin intends to use the mortgage proceeds for general business purposes, including continued investment in its real estate assets.

Also on April 26, 2016, Griffin and Webster Bank entered into an amendment of Griffin’s \$12.5 million revolving line of credit (the “Webster Credit Line”) that extends the maturity of the Webster Credit Line from May 1, 2016 to July 30, 2016. Griffin expects to enter into a long-term extension of the Webster Credit Line prior to July 30, 2016. There have not been any borrowings by Griffin under the Webster Credit Line since its inception.

A copy of Griffin’s April 27, 2016 press release announcing the closing of the Mortgage Loan and the extension of the Webster Credit Line is attached as Exhibit 99.1.
